Ethan,

Well here we are sitting in our RV watching it rain, it has rained all day. We went to WalMart this morning to buy groceries, and thats about it.

How are you doing? We hope things are getting a little better for you. I know you are getting a lot of rain also, are you doing PT in the Rain? If so, look at the bright side, your not sweating your ass off, HA HA.

Have you thrown a Grenade yet? Have you qualified with your rifle yet, & what kind of Rifle do you have?

Can't waite to see you next Month, I sure do miss you.

How are your buddies doing? there probably as home sick as you are. Mom said you like the food there, it has to be better than when I was in. Do you get much free time? Are there any good looking Women?

Accross the street from this RV park is an ~~Antique~~ Antigue Mall so the sign says but it look like a glorified Junk yard, can't wait to check it out.

Well Ill close for now, wish you luck & we love you very much.
